

Vermont Advance Directive Registry Access Agreement

The Vermont Advance Directives Registry is a secure, web-based database created by the Commissioner of Health to which individuals may submit an advance directive or information regarding the location of an advance directive.

The Registry is accessible to principals and agents and to others expressly designated by Vermont law.

Access is also provided to individuals appointed to arrange for the disposition of remains, procurement organizations, health care providers (including emergency medical personnel), health care facilities, residential care facilities, funeral directors, crematory operators, cemetery officials, probate court officials, and the employees thereof.

In order to obtain Registry access, the person or entity named below agrees as follows:

1. To comply with all statutes and rules pertaining to Registry access.
2. To access the Registry only for purposes related to decision-making for health care or disposition of the remains of the decedent.
3. To protect the access code issued and to limit access to employees with a need to access the Registry.
4. To train employees on the proper use of the Registry and the Registrants' documents.
5. To report any unauthorized access or misuse of information to the Department of Health.
6. To comply with policies and procedures pertaining to the Registry.
7. To fully complete all necessary forms provided by the Registry.
8. Not to sell, assign, transfer, or otherwise convey any rights or duties under this Agreement.
